### Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes filled with tears for me.

I wish so much you wouldn't cry the way you did today, while thinking of the many things we didn't get to do or say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart; and never, never be afraid to die, for I am waiting for you in the sky!

“ Noel was in my rookie class at FLETC. Always full of energy. He enjoyed fishing on the Strike 2, his 32 ft. Topaz as I was often his 1st mate catching many a blue fish. In the winter we would go to the horse track & meet up with Ronnie T to compare notes for the day. We went to the same high school (Brooklyn Prep) & in my senior year he was one the football coaches. I didn't know that until we worked together both in the New or Field Office & D.C. Many happy memories with Noel. God Bless RIP. He was one of a kind.

“ Noel and the USPP Marine Patrol crew were very special to my late husband Michael and to me. I will always treasure many wonderful memories of our time in NY in the late 1970's to 1984. That was a great group.

“ I met Noel in 1998 and we quickly formed a work and lifetime personal friendship. We traveled together many times for work and one time drove from San Francisco to Virginia with many stops at casinos along the way to move a car for his wife. We laughed and cried as he was a very passionate guy. Thank you for all the good memories and stories. RIP my friend, you will be missed.

“ I knew Noel in the 1990s when we were both part of Cyberspace Racing Team, one of the very first horse racing partnerships formed online. While most involved in the partnerships were very specific about what they wanted from it, or what horses they wanted to involved with, Noel loved all aspects of it. He was so positive and enthused about each and every horse. When others might grumble and complain and point fingers, Noel stood out with his appreciation and positivity. I'll always remember him for that.
