When I'm Gone

When I come to the end of my journey and I travel my last weary mile, just forget if you can, that I ever frowned and remember only the smile. Forget unkind words I have spoken; remember some good I have done. Forget that I ever had heartache and remember I've had loads of fun. Forget that I have stumbled and blundered and sometimes fell by the way. Remember I have fought some hard battles and won, ere the close of the day, then forget to grieve for my going, I would not have you sad for a day, But in summer just gather some flowers and remember the place where I lay, and come in the evening when the sun paints the sky in the west, stand for a few moments beside me and remember only my best.

“ *Orne was my best Friend. An amazingly talented artist/Model builder that formed his own company producing self manufactured model kits that sold around the world. From The Starship Enterprise to the Batmobile and his finest piece a custom Jupiter 2 spacecraft highly updated from its original appearance in the classic television show Lost In Space. Orne got me my first long term job. Introduced me too Star Trek conventions and model kit swap meets and so many adventures were had. So many great times committed to memory.. I will miss you til the end of my days. And thank you for being me friend for 35 years.*
