“ *I love you dad and I miss you every day, I'm sorry for not being a better grandson at times. And I hope you are with family in heaven and fishing with Jesus and on a nice pontoon boat sipping on some water asking why they make it so cheap. I miss you I cry a lot thinking of things you would always tell me and try your best to help me make the right decisions in life. I hope to see you again when I go. I love you and mom*

“ *Paul! It gives me peace knowing you are in the arms of angels playing your beautiful music. I already miss the quips and quotes you always had for me to make me laugh. I will keep Trini in my prayers. Annie "Twistie"*
