Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ Happy Birthday Pat! I know you're in Heaven, but I remembered your Birthday today. I think about you often, and especially today! I'm hoping the Angels with you celebrating your Birthday too! May God continue to keep you in his care. Love always, Arlene.....

“ I called her Pat and most of us from work. Pat is my co - worker and a true friend to me, she is funny and yet serious , very soft and yet very brave, she loves her children very much and her sister, she is a loving person and a very hardworking person. Thank you so very much my friend for letting me know you even in just a short time but your memories will be in my heart forever. I love you and live the Eternity life that God gave you now❤️

“ *My heart was broken when I heard of Patricia's passing. She was so strong and brave through out her illness. May God bless her in the Heavens above. May her family always know what a beautiful person she was. She will be greatly miss, my friend.*
