I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ Aunt Pattie Thank you for being the best Aunt and for making me feel so special and loved. You hold a special place in my heart and I'll cherish our memories forever. You were fun, loving, caring and we all know the party did not start until you walked in with your beauty and fun personality. I will miss talking to you and telling you stories of Col and Cam and hearing you laugh out loud. I loved how proud you were of your family especially of all your nieces and nephews. Thank you for loving us all so much. I know you and mama are watching over us. I love you to the moon and back. I miss you, AP! Love always Sheree (Sher Bear) xoxo

“ *Pattie Richards❤️ Aunt Pattie was one special lady and the loss of her is still felt deeply by many. She was such a beautiful person., and made all the people she met feel so special. I am blessed that God put her in my life. There are no words that can express how much I love her and how special she was to me. The memories and experiences I've had with you, will forever be with me. You taught me to live life to the fullest and not care what anyone thinks. My favorite quote you told me to live by- "Dance like no one is watching, love like you've never been hurt; sing like no one is listening, and live like it's heaven on earth." You helped shape me into the person I am today. You are truly the best. I miss you everyday and love you to heaven and back. You may have passed on, but your memories will always live on within us. Thank you for your sacrifices, bring so selfless, your care and concern, your love, strength and everything that you have done for me. I will be forever grateful and thankful that you are my 'AP'. Your legacy in our family will forever live on. I love you. Gianna If I should go tomorrowIt would never be goodbye, For I have left my heart with you, So don't you ever cry. The love that's deep within me, Shall reach you from the stars, You'll feel it from the heavens, And it will heal the scars.*

“ Dear Aunt Pattie: Where do I begin? You will be so missed it makes me sad to know that Jude & Mackie won't get to experience your love & energy. I'm comforted by all of the amazing memories. And I'm so grateful my kids had such an amazing great aunt, you gave them over the top indulgences limo rides, vacations, front row seats at concerts, the endless trips to Toys R Us. You lived in the moment and I know Patrick and Gianna are so outgoing because of the endless dancing with you and mamal can still see you all dancing a jig, and Patrick playing the spoons. I will miss you this lifetime but know we will be reunited in paradise with our lord for eternity, this gives me peace. Slainte Pattie you are adored

“ Aunt Pattie was a bright star in my life. She had this warmth about her that made you feel like family. She knew how to work a room and I remember admiring her as a little girl. I'll always love you, Aunt Pattie.

“Bobbie and family, We are so very sad to hear of Patti's passing. She was a sweet kind generous soul. The years since we all met working at the Cage at Caesar's & then at the Desert Inn with Patti as a Casino Host there have flown by. She was well loved. We are so sorry for your loss. May she Rest in Everlasting Peace and May Perpetual Light shine upon her. 🕊️ Sincerely, Sharon & Mark Hugsm h7042@gmail.com
