

Perry F Peterson

September 30, 1965 - June 22, 2020

Perry F. Peterson (54) Henderson, NV. passed away on June 22, 2020 in a tragic work accident. Perry was proud to be a veteran, a skilled craftsman, a devoted brother, a treasured son and an adoring uncle. He was an avid sports fan and outdoorsman - he loved hunting, fishing, as was happiest on the golf course. Most of all he was a true friend, always willing to help someone out, a kind, compassionate and caring soul. He will be sadly missed by all who knew and loved him. Until we meet again - rest in peace.

“ There was never a bad time spent with Perry! His laugh came out in full resonance when fishing, hunting, poker games or working together on a project. He and his brother Danny were two of three of my cousin Sue’s children. We attended pro football games between my beloved Packers and his beloved Vikings. He loved golf as well....only Heaven know why! My daughter Noelle talks about him daily (still). A deep personality.... We shared some personal memories, some of which left scars in his mind. I will miss him forever. Talley Ho my buddy!

“ Hi. I'm a good friend of Perry's and Dan. And am a former roommate of Perry. I would like to communicate with one of the family members sometime. Thank you. #651-334-8153. I think about the two of them often.
