

Preston Allen Doorneweerd

March 14, 2003 - September 23, 2020

Preston Allen Doorneweerd was born March 14, 2003 in Las Vegas and passed on 9/23/2020.

Preston lived in Las Vegas for his first couple years until his mother moved them to Colorado where they lived until moving back in 2019.

While in Colorado, he was diagnosed with IPEX syndrome and had undergone a bone marrow transplant in 2016. The staff at Children's Hospital Colorado were amazing and because of them his IPEX was successfully in remission. Preston made the most amazing friends in Colorado and here in Nevada.

Preston was to graduate high school in 2021 but with Covid they had accelerated his last year and was to graduate by the end of 2020.

He was preceded in death by his Uncle Lance. He is survived by his mother, Jo Lynn Doorneweerd, his grandmother Marie Kathleen Taggart, his grandfather Allen Doorneweerd, his Uncles Edward (Elizabeth) Taggart and Fred (Elisha) Taggart, his cousins Lance Taggart, Jacob Taggart and Logan Taggart.

“ You were part of our family and will always have a place in our heart. Memories of you playing tag with Mike, hitting him over the head with a blow up sword, going to Greek fest, Snowshoe for the Cure up in Breck, ice skating and just hanging out at our house. I am so glad you answered your mom's phone and I was able to talk to you a few weeks ago. RIP dear Preston. You will be missed❤️

“ Preston was beautifully kind, handsome, hilarious, and loving. I remember having a tease back and forth over Harry Potter and how obviously incorrect I was that it was the best genre .
