God's Garden

God looked around His garden and found an empty place. He then looked down upon the earth and saw your tired face. He knew that you were suffering. He knew that you were in pain. He knew that you would never get well on earth again. He saw the road getting rough and the hills were hard to climb. So He closed your weary eyelids and whispered 'peace is thine.' He put His arms around you and He lifted you to rest. God's garden must be beautiful, He only takes the best. If tears could build a stairway, and heartaches could make a lane, we'd walk a path to Heaven and bring you home again.

“ *Barry was a great friend and we had many crazy and fun times together. He could be funny one minute and then dive into an intellectual conversation. He had more than his fair share of lows in life but his heart was always in the right place. Many know of him from his days in wrestling and I was blessed to know him personally. You are missed my friend - more than words can convey. I pray you are cradled in the arms of the angels and living in peace. My prayers are with your family too. May God grant them strength and comfort as they face each day without you.*
