Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ *Brother, I miss you so so much. I truly can't get over the fact that you're gone. A piece of my heart is missing. I so wish we could have saved you. I pray you and You You are together. I will never forget about you or stop loving you.*
