

## Rhonda Renee Corbin

December 8, 1959 - August 1, 2025

We loved for so long; it is so hard to believe that someone so special would ever have to leave. We thought you'd be here always and never did we think that you could be taken away on any given day. We hope you know how much we loved you, and we remember more each day. Cause you will live in our hearts forever and always. So, worry know more God has rested your soul and given you your final home!

He Only Takes the Best

God you were getting tired, and a cure was not to be... So, He put His arms around you and whispered come with me. With tearful eyes we watched you suffer, and saw you fade away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, working hands were put to rest. God broke our hearts to prove to us, He Only Takes the Best.

We Love You Rhonda!!

“ *My sister my friend, you have been a part of my life since we were in the 4th grade. I never imagined that you would not be here. I treasure the many memories of our sisterhood, our friendship, our ups and downs. We laughed together, cried together and even argued and fought together. We always came back together because we were family from 11th street, to granny’s to Denver to Las Vegas. I love you my sister, I will always carry you in my heart. No more pain, no more questions, just rest. You will truly be missed*
