“ *In this Journey, goodbye us just a pause. The ones we love are never far from our hearts. You were the beautiful melody in the rhythm of your family lives during the last five weeks you spent before giving up the ghost. R.I.P*

“ *I'm so glad you came home to Las Vegas. I realize now you came home to die. I've never been so proud of you in my life. You did the work you did the work. I'm so grateful I know you'll be OK. I'm honored at the last five weeks that we had we laughed. We cried. We worked everything out. I will be forever grateful for time. Godspeed Rick it's not goodbye until we meet again I love you forever. I'll see you up there.*
