Harvest Moon by Niel Diamond

Come a little bit closer  
Hear what I have to say  
Just like children sleeping  
We could dream this night away

But there's a full moon rising  
Let's go dancing in the light  
We know where the music's playing  
Let's go out and feel the night

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon

When we were strangers  
I watched you from afar  
When we were lovers  
I loved you with all my heart

But now it's getting late  
And the moon is climbing high  
I want to celebrate  
See it shining in your eye

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon

Come a little bit closer  
Hear what I have to say  
Just like children sleeping  
We could dream this night away

But there's a full moon rising  
Let's go dancing in the light  
We know where the music's playing  
Let's go out and feel the night

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon

When we were strangers  
I watched you from afar  
When we were lovers  
I loved you with all my heart

But now it's getting late  
And the moon is climbing high  
I want to celebrate  
See it

shining in your eye

Because I'm still in love with you I want to see you dance again Because I'm

still in love with you On this harvest moon

“ I have very fond memories of my cousin, Rick (Ricky, Richard) Wykoff from as far back as I can remember: going to White Sox & Cubs games, museums, and other cool places in Chicago with our Uncle Dean; spending Christmas Eve at Grandma & Grandpa Emmons; being my protector from the bullies at Krueger Junior High School; playing music together at Michigan City dances, parties, and festivals in our rock band, The Barbarians; fishing with our Grandpas' at Pine Lake & Stone Lake in La Porte; and how Rick proudly served our great country as a United States Marine! My thoughts and prayers go out to his awesome family: Mary Lou, Kelly, Darcy, Mandy, and my other 1st cousin Carol. Rest in Peace Cousin Rick.

“ You were the nicest neighbor I have ever had. You had a heart of gold. I will never forget you my friend! Rest In Peace now and we will see you again!
