Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ Gonna miss you Robert you were like a grandfather to me. I'm gonna miss hanging out with you when you would show up to work at 10pm and help you throw your aisles. I still can't believe you're gone and I had find out today. May you rest in heaven.

“ *I Love you Uncle! We'll miss you more than you would ever know. Vegas will not be the same without you. My bags going to Vegas will be so much lighter since I don't have to bring you all the Maui Goodies. just knowing we'd be seeing you up there, was so Awesome because I loved to bug you. Haha. I still can't believe you're no longer here. I pray you're Happy and no longer in pain. Give the rest of the Family our Love and please watch over us. We Love You ALL. ❤️*
