John 14:1-3

Let not your hearts be troubled; believe in God, believe also in Me. In my Father's house are many rooms; if it were not so, would I have told you that I go and prepare a place for you? And when I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also.

“ *Jimmy D. what time is it in New York ? I am still in shocked disbelief that I will never speak to my friend Bobby again. I have known Bobby over 40 years and he has been like a father, big brother, and guidance counselor to me. He has been a mentor, confidant, and great friend, not to mention an inspiration throughout my life. He has always been there in good times or bad. His love for Elaine and Robert was unconditional. When they moved to Las Vegas, I knew there would be a large void in my life. His statement to me last year " Jimmy D., we will probably never see each other again" hit home Saturday night when Elaine called me. All of the Knick games , and parties, and just great times will never be forgotten. As per Bobby's wishes (no joke) please sit down with a drink, and play "Just a Jiggalo" by David Lee Roth and imagine Bobby with his bloody Mary dancing by the bar. I will never forget you Bobby--this is a tough one. Love, Sarah and Jimmy D.*
