### Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.

“ I served with "Domingo" in the army. I was friends with him. We would go out to the clubs surrounding Ft. Ord, CA. He was a cool and laid back dude. I do not know what made me go on the Internet and look him up, but I did. Thus, I found out he passed away too soon.

“ Hi Ross and Alma, I know it pained you so much that your only brother, Ron, left without notice. Mind you, 5 of our dear love ones in our family left us and I know the grief that you are now suffering. But rejoice! for Ron has joined the creator together with uncle Sitong and Auntie Remy. Our heartfelt condolences and prayers to you and family
