

Ronald "Shaggy" James Sullivan

September 3, 1968 - June 22, 2018

With great sadness, "SHAGGY" Ronald James Sullivan has passed away. He was 49, and lived a myriad of lives. Skilled in many things, and hobbies vast. He touched many hearts and made many friends, he will be missed, loved, remembered and cherished. Among, his long list of things, he's taught us over the years the most important thing was laughing and loving. He loved outdoors and sports, he loved cars and trucks and mountain bikes, he loved laughing and joking with people, and a good movie. He will be remembered through his Mother Lori, his Father Ron, Sister's and bestfriends, Kim and Tammy, Nieces and Nephews Nick, Brittney, Conner, Kerwren, and Aryn. Gone, never forgotten, thank you for being so strong for so long, thank you for everything, we love you!
