“ Aunt Rose was dear to me, she is my moms older sister, they would talk everyday. Aunt Rose and my mom were prayer warriors. I'll never forget she dreamed about my children before they were even conceived. I'm so glad that God laid it on our hearts to travel to Vegas in July to see her, to our surprise she was admitted into the hospital, she was so glad to see us. Visiting Aunt Rose this time was bittersweet, for I knew down in my heart it would be the last time but I can forever meditate on how happy she was to see us, it will live in my heart for eternity. Rest well Auntie. I love you ❤️❤️🕊️
