Sandra Gray age 68, died of natural causes on May 10, 2024 in Las Vegas, Nev. Sandra is survived by sisters Peggy Gray, Denise Saenz and brother James Gray. She was preceded in death by her Father Okley Gray and Mother Shirley Gray of Las Vegas. Sandra was born on Jan 5, 1956 in Cincinatti , Ohio. She was a retired electrician. Sandra graduated from Clark High School and lived her life here in Vegas. She was always involved in sports and was on many softball teams. She enjoyed golfing and outdoors. As her friends remember playing softball someone was always hurt! To her the friends she made when they first came to town, she treasured the friendships. To Talynn she looked forward to your visits more than you know and loved you with all her heart. As a big sister she was the one who always protected and wanted to beat up the boyfriends who hurt us. Please remember Sandie the next time you enjoy a cold Miller Lite on a hot day or when you have a whiskey on the rocks in the evening. Rest in peace my big sister we love you always.

“ I grew up with Sandy and went all through school from 4th grade. I have so many wonderful memories with her. She was an amazing athlete playing softball and basketball for Clark high school. She taught me to be strong and tuff and not afraid to embrace being a tomboy. She will be missed but I will hold my memories close to my heart! Rest in peace Sandie ❤️

“ I will think of you often and particularly each holiday and birthday when one of us always managed to give the other a call. We had fun times and I always loved you, my friend. May you rest in peace.
