Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say. I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.

Tribute Wall

“ Today it's a year since you left us. We miss you and all the families. You will all be never forgotten. Whenever we have a get together with the families you're all are mentioned with the memories you all left behind.

“ I'm so privileged to have met Sandra. She was a resin that never talked about what she was going through, she would see if there was anything she could help with. She was full of life and a happy person. Very proud to call her my sister in law. May she rest in peace and no more pain. Love ❤️ you. Your sister in law, Brenda

“ *We love and will miss you. You, your dad, nana, tata, my mom and all the families will never be forgotten. We mention all our families names who are no longer with us here on earth, especially on holidays. We will all keep your names alive here on earth, for you're all dancing in the skies, looking down watching all of us and knowing that we will all see each other again. Love Your Family, Mary & Chuck Downing*
