“ Sergio, it brings me comfort knowing that you are with your loved ones, I know how much you've missed them.
You were such a great friend to me and my sister, Cookie. You always were there for us any time we'd call. When we needed someone to help us move something or fix something you'd be right there for us. You always had a smile and always remembered to send us birthday cards, Christmas cards or just a silly card for no reason at all. I always got a kick out of it because we live in the same city and saw each other often. I regret now that it wasn't often enough. You will be missed my friend.... more than words can say. Until we meet again, goodbye for now. Love you,

“ I guess my first message did not post ?
Sergio my friend. You will be missed you'll be in my thoughts everyday. All the walks we took exploring new parks with my pups and yours. You were a kind and gentle man thought we were going to grow old together , isn't that what we said ? I'm sure you were greeted by your loved ones who have went before you. I take comfort in knowing we will see each other again. Please kiss Madison Maggie and Matilda for me tell my mom and dad I love them. You never met my dad but I'm sure he's up there somewhere Until we meet again my friend ...
See you later
Love you always
Cookie
