“ *From Anna Reyes Sheila was a wonderful person ❤️ and I will miss eating Chinese food with her. She always ordered Three meats dish. I loved her mostly for saving my daughter's life. She was two years old at the time. She was going to jump from a balcony and I was 8 months pregnant. I screamed for help and Sheila came flying up the stairs and caught my daughter in mid air. Priscilla is 18 years old now and I am so grateful for how she didn't waste one second and flew into action. She is my Hero and now she is my angel . Love Anna P.s. See you in Heaven Sheila*

“ *From Beth Rothman ❤️ People use to call her Ms. SHEILA. Sheila made the best Corned Beef and Irish potatoes. She would open her front door and you could smell the delicious aroma. She also made a seven layer bean deep. She absolutely loved Bingo. I will miss my friend dearly .*
