I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ Love you Grandmother with all my heart ❤️ I didn't physically get to say goodbye but I was outside the hospital. I saw that you were looking at all my pictures in your house. Brought tears to my eyes. You loved me so much as a child. I'm so glad I got to stay with you in big bear cabin and got to experience all that in my life. The gummy bears and paper dolls that you used to get me as we drove up the mountain will forever be a memory in my heart. I now take my kids to the pizza place in BIG bear you used to take us to. It's changed but it's still there and packed full of people. I don't know if you got buried where you wanted to be. My dad said he was handling it. I'm going to check on it. I love you and miss you so very much. God has a new Angel in heaven. With unconditional love we operate from, may God bless us all always-Amen!
