Missing You Always

You never said I'm leaving, You never said Goodbye. You were gone before we knew it, And only God knows why. In life I loved you dearly, In death I love you still. In my heart I hold a place that only you can fill. It broke my heart to lose you, But you didn't go alone. A part of me went with you, the day God took you home.

“ *Tar, I am saddened to learn of your passing. I was looking you up to see how Max is doing and how you are doing. However brief our time together was, I loved you both very much. RIP*
