Bridge of Memory

There is a bridge of memory. From earth to heaven above. It keeps you always near us, it's called the bridge of love. May you always walk in sunshine and God's love around you flow, for the joyful life you shared with us, our hearts will always glow. It broke our hearts to lose you, but you did not go alone, for part of us went with you. The day God called you home.

“ This picture was taken nearly a year ago after a Cirque du Soleil "On the Run". You were always an "Angel Among Us" & one of my fav peeps. I'll never forget when we first met as youngins, the first blonde in our brown family. You always had a wisdom about you & have always been one of those people who help keep others grounded (me being one). When Jean called with the news of your passing in your sleep (we should all be so lucky) ; Josh was fighting for his life from the Coronavirus. We both knew that he had an Angel on his side. Thank You! Thank You for the legacy you leave in your children & your family. I love & miss you so much. Enjoy this next adventure! Until we meet again ~
