For you, Grandma

This cross is given to you in love, respect, and admiration.

A symbol of faith, it shines with light from within,  
and was shaped by hand with skill and care.

In the wisps and swirls of color, it is truly one-of-a-kind...

Just as God made YOU.

I am blessed to call you Grandma, my unique gift from above.

May you guide me, love me, and keep me in your prayers.
