Old Irish Blessing

May the road rise up to meet you, May the wind be always at your back, May the sun shine warm upon your face, And all the rains fall soft upon your fields, And until we meet again, May God hold you in the palm of His hand.

“ *Sending much healing energy to the family. Tom was a great boss to work with. He laughed and joked when others wouldn't and never made you feel bad. He always wanted new dealers to better themselves and learn new games. He was always so good with everyone. He would talk so much about his plans when he would finally get out of the business and where he would go or ask what we thought about this idea or that idea. He really was looking forward to the future. He was taken far too soon from this life.* ॐ☪ॐ

“ I was lucky enough to be friends with Tom for over 20 years and the things that I will always carry with me are my memories of how quick witted Tom was. He loved to argue the other side of whatever argument you were on no matter if he actually agreed with you or not. His big, deep laugh when he found something funny and that was often. He spoke with so much love for Monika and the pride he took in her whether it was her prowess in softball, how hard she worked to get good at tennis and how well she was doing in college. His trip to England with his father was one of his most cherished memories and he expressed how glad he was to be able to spend that time with his father. My condolences go out to all the members of his family, Tom was a great person and we were all lucky to have him in our life.

I can't imagine the pain and loss you feel. I am so sorry to hear this horrible news.

I remember meeting Tommy when he was only 3-4 years old ... In fact, I still have several photos of us together at various USAF air shows standing in front of aircraft when he was a happy little boy.

We love you and Margaret so very much ... take care, know that you are in our thoughts and prayers.
