

Thomas Robert Soranno

June 7, 1958 - July 10, 2020

Thomas Robert Soranno or to those who knew him he was simply Tommy. Tommy moved to Laughlin 35 years ago from Southern California where he was a dealer and was a pit boss at the craps tables. He always had an interest in gambling especially black jack, poker and craps. He got this interest from his Dad. His Mother Lorraine and Father Tom would often take trips to Vegas and talk about their weekends gambling to Tommy and his brother's Jim & Mike. Tommy enjoyed, or at least most of the time, working at the Casino's in Laughlin for 30 years. This is where he met his lovely wife Karla and they have been together for 31 years. Karla had two little boys when they met Mathew & Sean Lenhart. Tommy helped raise Matt & Sean. As Karla says, "They are better men because of Tommy". He enjoyed sports and loved his dog Max. He became a Chicago Cubs and Bears fan especially after visiting his brother, Mike, years ago in Chicago. But when the Rams moved back to Southern California he went back to his roots and once again was a Rams fan. But he remained a Cubs fan!!! He enjoyed getting out with his buddies and playing golf. Mario was always one of the guys playing golf with Tommy. He loved classic rock music. He can best be described as just an easy going guy who enjoyed his life, family and friends. Tommy is survived by his wife Karla and step sons Mathew and Sean. Tommy, you will be missed.
