

# Thomas Lee Taylor

August 19, 1965 - May 21, 2020

Taken from us all, way too soon.

Tom aka Pap Pap was, and always will be a wonderful husband, father, son, grandfather, brother and friend.

He is survived by love of his life, Lorri A Taylor (wife), his granddaughter, Avalyn Grace who is his world and he was her hero, his step sons, Zachary and Anthony who were his pride and joy even through the rough times as he saw them both grow into handsome men following in his footsteps, He adored his daughter in law from the first "hello", his son Tommy Dudash Taylor, Tom's wife and daughter of Louisiana with whom he was happy to reconnect, his brothers Eric Taylor of Las Vegas and Jeff Taylor of Pennsylvania, father in law and mother in law Mark and Bonnie Welsh of Jeanette, PA and mother in law Sonja Welsh of Greensburg, PA as well as many aunts, uncles and cousins all over the country.

He is preceded in death by mother Maryanne Taylor and father Oliver Taylor. He was not a famous man or a rich man. He didn't want to change the world or demand high expectations of anyone he knew. He was a loving man with a laugh that filled a room and his presence was always felt. He came running if your car needed fixed, a word of advice or a place to lay your head.

Tom told the world his wife Lorri, was his one and only true love. He told her "we were meant to be" and "who else am I supposed to love". Theirs is a true love story that began in 1978 and will continue until they meet again.

"We love you Tom, Forever plus one day!"

The Taylor family requests donations towards final expenses in lieu of flowers.

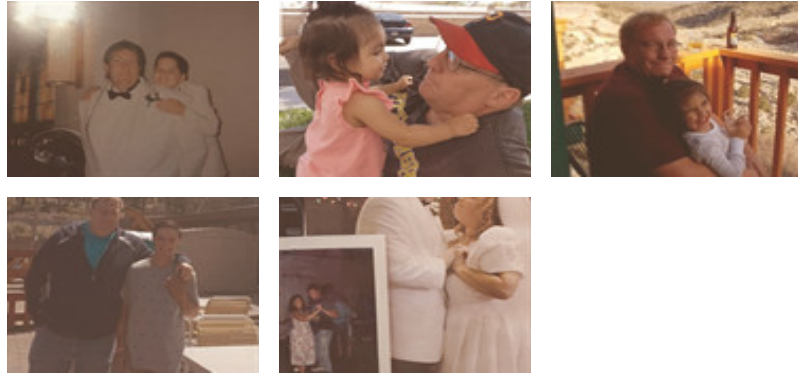

#### A Fallen Limb

A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we're together again."

“ Tom, how can you no longer be on this earth? So unreal and so unfair to all of us. We miss you forever and ever. We still had so many whoopie pies to eat and bottles of hooch to drink together. You were the best brother in law...thank you for putting up with the antics of my sister and I when we got together. Hugs and so much love Lorri, Zach, Anthony and all who loved this man and will miss his mere presence. Love you!

“ I still wake up in disbelief that I will never hear you call me baby, I will never feel your arms around me or cuddle and watch a movie. How did this happen? How do I survive? I love you more than anyone in the entire world ever could or ever will. I can NEVER replace what we have nor will I try. I love you to the moon and back I will forever be your Peaches..Please come see me in my dreams. I promise to keep you alive for Avalyn, you are her hero. I want to see you one more time but i know that is impossible. I want to see you come thru the door and hug us. I know you dont want us to cry but by heart is broken into pieces. I will get through and make you proud . I love you forever and a day, "I guess". My forver husband and forever soul. Kisses and hugs from me to you every day and every night. I will forever miss " My Jackass"
