Thomas Anthony Woerndle

December 15, 1957 to May 06, 2017

Thomas (Tom) Woerndle was the youngest of six children born to Betty and John Woerndle on December 15, 1957. He was raised in Portland, Oregon attending Grout Grade School and Cleveland High School. Tom graduated from Portland State University with a degree in Computer Science and worked for Intel. Later he worked as an independent contractor setting up computer system applications all across the United States and Canada, based from Florida. In 2001, while in Florida, he met Frank Walthall who attended the same church and they became a couple. Over the next 16 years Tom and Frank traveled the world and settled in Las Vegas. They loved the desert and with a travel trailer did much camping and exploring. Tom succumbed to esophageal cancer too early. He will be missed for his irreverent sense of humor and his love of travel. He leaves behind his husband Frank Walthall and his siblings and their spouses: Celia Grayson, Susan Goodrich (Sidney), Joan Becker (Roger Haight), John Woerndle Jr. (Kathy), Martha Wylder (Timothy), and ten nieces and nephews.

At Tom's request, there will be no service and burial will be at sea.
