

Treva L Walterscheid

October 10, 1963 - May 2, 2024

Floral designer extraordinaire, dancer, gambler, and adventurer, Treva Stoner Walterscheid played her last slots the morning of May 2, 2024, while in Las Vegas, NV. on one last "I am having so much fun" road trip. She was 60 years old. Treva was an accomplished floral designer, winning numerous awards including Designer of the Year for the entire State of Colorado in 1986.

Treva loved traveling, camping, and anything on the water, whether it was tubing on the local canal, laying on a beach and sailing in the Caribbean, the numerous Lake Powell Houseboat trips, or whitewater rafting. She recently said her most exciting adventure was a 21 day self supported raft trip through the Grand Canyon. Treva participated in raising two sons with her husband Tommy: Timothy (Jennifer) Walterscheid, of Pagosa Springs, CO. and Matthew (Kira) Coff of Cottonwood Heights, UT., aka Tim's best friend. A third stepson, Richard Coy of Denver, CO, had already moved on by the time Treva came into Tom's world. Tim and Richie provided her with five grandchildren she adored: Kalynn, Alexandra, Lincoln, McKenzie, and Bennett. Treva loved all the children who came into her life over the years. She was close to all her nephews: Luis (Louie) Perez (Jennifer) of Firestone, CO., Michael Stoner of Vacaville, CA., Rylan Perez of Grand Junction, CO., and Austin Stoner, who preceded her in death. Treva played a huge role in raising Louie and they shared a very special bond. Treva also enjoyed her most recent great-grand nephews Ry and Bodie Perez. Beyond those mentioned above, Treva is survived by her brother Mike (Dottie) Stoner of Loma, CO., her sister Donna

(Bernd) Stoner of Fruita, CO., nieces Nicolle (Chris) Brown of Lansing MI. and Michelle (Tim) Davis of Grand Junction, CO., an endless cast of Walterscheid in-laws, many more nieces and nephews, extended family in West Virginia and Carbondale, CO,. and many dear friends.
