

Vickie Lorain Reid

January 5, 1961 - June 9, 2023

Vickie Reid was born Vickie Lorain Coleman, January 5th, 1961, to Dorine Coleman and James Charles Thompson, in Las Vegas, NV. She was the 2nd born of 7 siblings, who included Gary, Dennis, DeAngelo, Valerie, Buffey, and April.

Vickie grew up in Las Vegas, NV and attended Eldorado High School. Vickie was a loyal and devoted daughter, sister, wife, mother, grandmother, cousin and friend. She had a big heart and surrounded herself with friends and family, especially her grandkids that she smothered with love, affection, and home-cooked meals. She loved to cook even if occasionally it didn't go so well. Like the time she added too much sage to the dressing, and it turned green. Terry started to complain and was promptly told by Vickie that he had to eat it anyway and like, so without another word, he did.

Terry was often Vickie's "Test Dummy" as he put it for any new recipes, or for her other favorite hobby, sewing. In fact, after over 20 years, there is an unfinished all-white walking suit she started for Terry, still hanging in their closet. Vickie got her passion for sewing from her mom Dorine, and it never wavered even after sewing a needle through her finger as a teenager. To her siblings' amazement, she pulled the needle out, cleaned and bandaged her finger, and went back to sewing. She was the strongest and bravest among them, and always looked after, and fiercely protected, her loved ones.

Vickie was a beautiful Queen, which this world has lost, born January 5th, 1961, and departed us June 9th, 2023. She is preceded in death by:

Grandmother: Zenobia, Grandfather: Robert, and brothers: Dennis and Gary.
