Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.

“ Our heartfelt condolences on this tragic loss. A wonderful Man with his life cut short. Wes meant a lot to myself and a whole lot to Lindsey. Prayers to the family.

To Jordon our hearts break for you and your family. We don't know why things happen the way they do, we have to trust in God the Father and our Lord Jesus Christ to guide us through these difficult challenges.

Sincerely, BJ and Lindsey Long

“ Just trying to get through my own personal grief. Thought I had gotten over losing him years ago but this is different. Of course, only the good things and times linger. My heart breaks for my children and grandchildren. He was a larger than life person always quick with a smile and a hug. I also worry about Mary Beth and her family. Life without him is a painful adjustment. I wish smiles, happy memories, and remembering good stories to all of us who cared about him.
