June 19, 1965 - September 16, 2025

### When I Must Leave You

When I must leave you for a little while, please do not grieve and shed wild tears and hug your sorrow to you through the years, but start out bravely with a gallant smile; and for my sake and in my name live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near; and never, never be afraid to die, for I am waiting for you in the sky!

“ We never had the chance to meet Billy or his wife but my husband taught at the same school his sister Cathy Sabel taught at & I worked at Sunrise hospital with his other sister Brenda Larsen. They spoke fondly of their younger brother. Our heartfelt condolences to his wife, his sisters & their families. God bless. 🤍🙏🤍
