November 4, 1977 - June 23, 2020

### Bridge of Memory

There is a bridge of memory. From earth to heaven above. It keeps you always near us, it's called the bridge of love. May you always walk in sunshine and God's love around you flow, for the joyful life you shared with us, our hearts will always glow. It broke our hearts to lose you, but you did not go alone, for part of us went with you. The day God called you home.

“ Bill, I went to drop my SUV off to you today and found out the tragic news. I am so sad to know you are no longer with us. You were my service rep for many, many years and I only know you in that capacity but I have gotten to know you well over the years. You were always so hard working, reliable, honest, kind, genuine, everything that so many individuals are not, nowadays, unfortunately. I am glad to have met you! You will be missed.
