“ *I am Hector Casanova, and I just learned of the passing of my friend who I used to call "WILITO" since I met him in the Silverlake area of Los Angeles. He was about a year or toe younger than I was, but we shared the same likes and dislikes. His parents, Joaquinilla and "the Americano" were great people and were great parents to Wilito. Wilito loved music and he formed a 3 piece rock and roll band. I only remember the name of one of the other member or the band (Mario Iglesias). May Wilito rest in peace. .*
