

William Mark Morris

March 13, 1953 - August 25, 2024

William Mark Morris 03/13/1953 - 08/25/2024

"Willy" was born on a Friday the 13th and this number was of great importance to his life. He went to school in Las Vegas Nevada, Bullhead City Arizona, and Phoenix Arizona. He later became a Pipefitter/Welder and Instrument Fitter and worked many years in those fields including several Nuclear Power Plants that required the ultimate in performance. He prided himself on his skills and was a "good hand"! In 1979 he joined the Iron Crossmen Motorcycle Club and has been an active and valued member ever since. He loved being "WillyClaus" for the annual Christmas run practically for its entire existence, bringing presents to disadvantaged families in the Las Vegas area that otherwise may not have had any Christmas magic at all.

Becoming partially disabled and unable to ride his bike, he began the process of converting it to a trike so that he could continue to participate in activities with his club brothers and the yearly tradition he was so proud of! Willy was a frustrated genius, writing poems, playing in drum circles, studying to elevate his trade even though he could no longer work, he never stopped trying to make himself better. He is survived by his only living brother, two nieces, a nephew, and two grand nephews.

Lead the peaceful way, Brother. You will be missed!
