### Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ *Bill was a super nice guy! Hated hearing that he passed. Hope that Nancy is doing okay! Both are always in my memories!* ”

“ *I met Bill at least 60 years ago. He walked into my new beauty shop and introduced himself. He offered products that I could use in my business. He sometimes had time to share his adventures. He was always a very nice person and I am sorry that he is no longer with us. My condolences to his family. May he Rest In Peace.* ”
