I'm so so sorry about your sister. I'm sending my condolences from the deepest part of my heart and all the love and support I can give. I'm so sorry. I always loved winter. I think she thought that was pretty cool sometimes too, but I'm so sorry.

“ To my cuz wynter
You leave a mark that can't be erased, Neiather space nor time and it will last a lifetime and never end just stay in the moment of a picture a perfect day without a wrinkle in today when the sun is always out and we never get old and the Bacardi is always cold and the music is always good and we drink some wine and reminisce and talk some shit and laugh and laugh like we always did and in our minds you will always be forever young cuz for ever all we have to do is hit rewind and there you are a laughing free spirit, as you embark your new journey to a better place we pray that you are guided by all the light and love we have for you in the company of your dad and our almighty father amen, I'm going to miss you so much cuz love you
Love your cuz paul

“ I can't believe I won't see you again in this life Wynter. I'm so sorry. You were a great friend, sister to Susie, daughter to your mom and dad and the best godmother and aunt to Isaiah. I know you're with your dad now in peace. I will see you again in the Great Beyond.

Love
