### Little Angels 2

When God calls little children to dwell with Him above,  
We mortals sometimes question the wisdom of His love.  
For no heartache compares With the death of one small child  
Who does so much to make our world seem wonderful and mild.  
Perhaps God tires of calling the aged to His fold,  
So He picks a rosebud before it can grow old.  
God knows how much we need them, and so He takes but few  
To make the land of Heaven more beautiful to view.  
Believing this is difficult, still somehow we must try.  
The saddest word mankind knows will always be "Goodbye"  
So when a little child departs, we who are left behind  
must realize God loves children, angels are hard to find.

### Letter From Heaven

When tomorrow starts without me, and I'm not  
here to see, if the sun should rise and find your eyes, filled with tears for me.  
I wish so much you wouldn't cry, the way you did today, while thinking of the  
many things, we didn't get to say.  
I know how much you love me, as much as I love you, and each time you  
think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.
